

# P&C NEWS – WEEK 10, TERM 2

Those who can, do. Those who can do more, volunteer.

Thank You 

Thank you to everyone that ordered another round of Book Club for this issue and thank you to those that donated to the Foodbank Donation Box. Your support and donations are much appreciated. We also hope that Brian and our cleaners Bill, Chris, Jeff and Jaime had a lovely World Cleaner's & Grounds Person Day on Thursday last week.

## PHOTO SNAPS

**Musical Mayhem.** While there were technical issues, the night was a great showcase of all our music students. Thank you KerrieM and the MSG team, and our Music Teachers for a great night. Our Music Students should be proud.

**Musical Mayhem Meal Deal.** Again, KirstyE and her team of volunteers were on the scene with a Meal Deal for our Musical Mayhem families. A very busy night for them with 58 ordering a Meal Deal. Great job team.

**Visit by Kate.** We had a very last minute visit by Minister Kate Jones on Wednesday last week to make a budget announcement for PRSS – The Minister announced \$200,000 to renovate our 2 Prep classrooms plus full time Prep Aides starting from next year. There are other budget announcements but these were the big ones.

**e-Steem Showcase!** This whole event was great. I, as a parent volunteer, was invited along to the year 1 showcase as I took a small role in the team with printing the trading cards the kids designed. The year 2 showcase I was invited at the very last minute, as President, to fill in for KirstyE on the Panel to judge the kids crops they grew. I was blown away with how the kids (year 1 and 2) were engaged with these projects and how all the different curriculums came together....and their little produce stall at Treat Time was fantastic too. Great job by the Teachers, Students and the e-Steem Team to pull all this together.

**Science Themed, Treat Time.** Well done to KirstyE and her team again for an amazing Science Themed Treat Time to work in with our Dress as a Scientist Day. The galaxy donuts looked fantastic.

**Open Day.** We had a great turn out at the open day last week. 30 adult heads and lots of kids. Thanks LeighP, LeeM, SusieB, Chappy Michelle and our Student Leaders with various tasks prior and during the Open Day. Huge "Well Done" to our Senior Choir, they sang beautifully.

**P&C Meeting and the Corporate & Community Sleepout.** At our June P&C meeting last week we had a visit from Marshall from St Vinnies. Marshall came to talk about the Community Sleepout which takes place at the GPS Rugby Oval on the Eve of the Ekka Holiday – 15<sup>th</sup> August. StephenR, SusieB and Myself are taking the challenge of sleeping rough for the night along with Cr Steven Toomey and Minister Kate Jones. If you wish to join us please check out the website and register. <https://www.communitysleepout.org.au/locations/brisbane-west>

## **UPCOMING EVENTS THIS WEEK**

- **Wednesday** – No 7.30am Strings Ensemble, but there are lessons.
- **Wednesday** – No Junior Choir
- **Wednesday** – Band Ensemble and lessons on as normal this week.
- **Friday** – 1.45pm FINAL ASSEMBLY
- **Friday** – 2pm Year 4-6 Opera Queensland Performance (**Parents Welcome**)
- **Friday** – Report Cards will be emailed home if not before hand.

We hope the year 5 string students from all over enjoyed their strings camp and parents enjoyed Tuesday afternoons strings concert at PRSS.

The P&C would like to wish everyone a happy and safe winter holidays. See you all back for Term 2 in a couple of weeks.

Thanks for reading.

PRSS President
