## TOWNHOUSE DEVELOPMENT

The P&C has paid for a town planner to write a submission with regards to the Proposed Townhouse Development next door to our school (159-161 Payne Rd). This submission has been presented to our Members & Stephen Rowe for feedback, and is now ready to submit. The deadline for submissions is Wednesday 10 May. If you would like to make your own submission, you can go to <https://www.brisbane.qld.gov.au/planning-building/planning-guidelines-tools/online-tools/pd-online-resources> and follow the attached step-by-step instructions, using the development application number A004569551.

We have been advised that the number of submissions matters. Your submission can be as simple as saying that you support the Payne Road State School P&C submission (also attached) and briefly highlighting your personal concerns. PLEASE, DO NOT copy and paste any text from the

P&C submission, your submission will be dismissed if you do so. You can only refer to the P&C submission and use your own words. Thanks in advance.
