Aim Ever Higher

PRESIDENT'S REPORT - JUNE 2017 MEETING

Not much has happened behind the scenes in the last 4 weeks that I need to report outside of subcommittee reports so let's talk what happened with events.

National Walk to School Day.

Despite the rain we had a great number of walkers. There were over 100 walkers with Amaroo winning the House Race with the highest number of walkers (43) – Moongara was 2nd and Nooroo 3rd. We had heaps of stickers and certificates go out to all walkers. Thanks Councillor StevenT for joining us on the morning to sign the certificates and bringing along a heap of merchandise to hand out to our families. It was a fun morning and thankyou to everyone that helped and supported including all our very keen student leaders.

The **Tuckshop Breaky** which supported the Walk to School Day was fantastic, the food and café style setup look amazing. Kirsty and her team did a great job taking in around a 1K of sales making a profit of just under \$700. Well done everyone.

OSHC is famous!! I won't take away the excitement of Susie talking about this filming project that happened Friday 3 weeks ago.

Tuckshop Workshop. Kirsty and Kerrie went on a Tuckshop Workshop Saturday 3 weeks ago. Again, I am sure Kirsty will say more in her report, but I was happy to hear that our Tuckshop is way up there, thanks Kirsty and Kerrie for giving up your Saturday to attend.

OSHC information evening. Clo, Jodie and Daphne attended an OSHC Executive Information Evening a couple of weeks ago. Anything interesting to report??

School Feedback evening. While Clo, Jodie and Daphne were attending the OSHC information evening, LeighP and myself plus other parents attended the information evening about the Research Study on Effective Feedback and can I say, I think this is a fantastic opportunity for PRSS to be a part of this research study.

Musical Mayhem. While there were technical issues the night was a great showcase of all our music students. They all did a great job and the night ran very smoothly even tho the issues.

I will let Kerrie talk more about the event, but thankyou Kerrie and your team of MSG for a great night....I will leave you to announce your profit\$828 profit for the night (Minus Meal Deal Profit)

Meal Deal. Again Kirsty and her team of volunteers were on the scene with a Meal Deal for our Musical Mayhem families. A very successful night with a nice number 58 ordering a Meal Deal. Great job team.

Bookclub. We have had another issue due for Bookclub. Susie, any idea of how we went? Thanks to Jesse for organising for us.

Farewell to LeighH. Hopefully you all read the P&C goodbye written in last weeks Newsletter for Leigh. On Friday I gave Leigh on behalf of the P&C a very nice Science/Environmental flower creation and card to say farewell.

Foodbank donations. While this was a PRSS driven project, I am passing on a thankyou from Jodette to anyone that donated to the appeal. Jodette has packed up all the donations and given them to Foodbank ready to get out to the families in need.

Entertainment Books. This fundraiser has slowed down now.... We have sold 45 memberships (29 digital and 16 books). And raised \$585 to date. Apparently, we still have 31 home with families that haven't been purchased or sent back. Phoebe has sent a third reminder that points out that the books were received on consignment. There's one final reminder and she will keep us updated.

Visit by Kate. – very last minute announcement – Kate, Gary, MariaB, Stephen, Leaders and me.

e-Steam Showcase! This whole event was great. I was invited along to the year 1 showcase as I took a small role in the team with printing the trading cards the kids designed. The year 2 showcase I was invited as a very last minute fill in for Kirsty on the Panel to judge the kids crops they grew. I was blown away with how the kids (year 1 and 2) were engaged with these projects and how all the different curriculums came together....and their little produce stall at Treat Time was fantastic too.

Science Themed, Treat Time – Well done to Kirsty and her team again for an amazing Treat time. The galaxy donuts looked great and a great profit as well - \$318

World Cleaner's & Grounds Person Day I spoke with some of our cleaners the last couple of days and they enjoyed their breakfast yesterday that the school provided. On behalf of the P&C I gave a small box of chocos to each of our 4 cleaners BUT more for Brian, Beer and Choco's. Brian of course getting the bigger gift as he helps the P&C on many fronts.

Open Day. Thanks to LeighP and SusieB for helping me get the packs together for the open day. Our Welcome Packs look fantastic and very professional. We had a great turn out at the open day this morning. 30 adult heads and lots of kids. Thanks LeeM for the help with setup and Susie and Chappy Michelle for helping the student leaders with the large tour groups heading around the school. Great job by our Choir.

With all this including school events such as Crazy Hair, Under 8's, Sprints Day, Senior Athletics Carnival it has been a very busy month.! Contracts to Nooroo (red) for winning the Sports Carnival.

Just a recap this term in fundraising (Mother's Day Stall, NWTs Tuckshop Breaky, Musical Mayhem & Meal Deal, Science Treat Time, Entertainment Books, Book Club and banking, we have raised over 5.5k for these minor fundraising events/projects.

Upcoming Events before our next meeting in Term 3.

We have 2 weeks holidays.

Master Plan working day – 18th July

BookFair starts the day of our next meeting – 20th July

And before I finish, the submission next door.....looks like the development is on hold and the developers have to go back to the drawing board.

I ask for my report to be accepted.
